SAWTRY GAMES CLUB

Sawtry Games Club is a friendly weekly meet-up for board games, card games, tabletop battles, and roleplaying. Open to all ages and experience levels, we meet every Tuesday at Sawtry Social Club (10 Gidding Road, PE28 5TS) from 7:30pm–10:30pm. From quick party games and modern classics to wargames and RPGs, there's always something new to try.

We're proud of our welcoming, inclusive atmosphere - newcomers never need to bring anything, and someone is always happy to teach a game or recommend a favourite.

Alongside our Tuesday sessions, we run Family Fun Days on the third Sunday of each month (12pm–5pm). These have been a huge success, offering a relaxed space for families and anyone wanting a friendly afternoon of games and good company, with free food provided for everyone attending.

As summer draws to a close, we hope everyone has had a fantastic time and is looking forward to the arrival of autumn. Things are getting busy at the club, with the Peterborough & District Blood Bowl League (PDBBL) getting ready to kick off another season. It's always great to see local players getting together for some friendly competition, and we're looking forward to welcoming plenty of new and returning faces to the club for games throughout the autumn.

Whether you're a casual player or a dedicated hobbyist, come roll the dice with us. Your first session is completely free.

For more information, email sawtrygames@gmail.com or find us on Facebook.

We look forward to seeing you there

HOLME COMMUNITY SPEEDWATCH

We continue to operate our sessions on a regular basis to try and make our village safer for all. With 10% of through traffic exceeding the 30-mph speed limit it is essential we continue our efforts. The weather tries its best to stop us – first it's too hot to stand out there - then its pouring with rain so we can't do it. However, we still manage to get two or three occasions a month passing details of 40-50 speeders to Cambridgeshire Police - that is just from our 1-hour sessions so how many are speeding the rest of the time?

If you feel you could give up 1 hour a month, at your convenience, and would like to help our campaign please email csw.holme@gmail.com and we will let you have full details and get you trained and on the road.

ENGAGED? THINKING OF GETTING MARRIED?

Did you know that you can get married in your local parish church - All Saints' Sawtry, St. Giles Holme and St. Nicholas Glatton. We love ❤️ a wedding and would love to discuss how we can play a part in your special day.

Please look at our website www.fenedgechurches.org, be in touch with the Benefice Administrator. Email: fenedgechurches@gmail.com

HOLME YOUTH CLUB

We are back into the swing of things once again with 20 members attending our first meeting back. We are looking for ideas for our December outing with ice skating, bowling, activity world and laser force having been tried in the past – what will we do this year.

We are still desperately short of helpers to supervise our sessions so if you have a couple of hours free on a Friday night every six weeks, please get in touch with holmeyouthclub@outlook.com and volunteer so that we can keep this facility going for these young people. Our criteria is one adult for every 8 members so currently we can only take 24 attendees and as we have over 40 on role, we would have to turn a lot away if they should all turn up at once.

Membership of Holme Youth Club is open to school years 5-10 who live in Holme or attend or have attended Holme Primary Academy. We meet on term time Fridays in Holme village hall from 6.30 to 8.30 pm. Admission is £2 and a little spending money may be useful for using on our subsidised tuck shop. For further information find us on Facebook or our website or email holmeyouthclub@outlook.com

COUNCILLOR UPDATE – WORKING TOGETHER FOR SAWTRY AND OUR SURROUNDING VILLAGES

As we move into the autumn, there continues to be plenty happening locally and at councils, and I wanted to take the opportunity to update residents on a few matters that have been occupying my time.

At the time of writing, we are still awaiting the Government's decision on Local Government Reorganisation, which is currently expected during October. Whatever the final decision, it will have significant implications for the future structure of local government across Cambridgeshire and Peterborough. For residents, the important question will ultimately be whether any new arrangements deliver better, more accountable and more efficient local services. I will continue to keep residents updated as soon as we have greater clarity.

Antisocial behaviour in Sawtry

I also want to address an issue that has been raised with me by a number of residents about youngsters riding around the village on E motorbikes, sometimes wearing balaclavas and causing concern/dealing. My message to those involved is straightforward: you are being noticed. Riding around with faces covered, behaving irresponsibly and intimidating other residents is not clever and it certainly does not impress anyone. I do not want to over-dramatise the situation, and the overwhelming majority of young people in our community are decent and responsible. However, a small minority risk spoiling things for everyone else or, more importantly, getting themselves or somebody else seriously hurt. If parents recognise that their son or daughter may be involved, please have a conversation with them. Ask where they are going, what they are doing and why they feel the need to ride around the village with their faces covered. The Police are aware of the concerns. Residents should not confront those involved, but please continue to report dangerous riding and antisocial behaviour through the appropriate police channels.

Holme Fen Fire

One of the most sobering experiences recently was visiting the site of the devastating Holme Fen fire. I have spent countless hours over the years walking Holme Fen with Ruby, and it is an incredibly special place to me and to many people across our area. Seeing the damage first-hand was genuinely difficult. There will undoubtedly be a mammoth task ahead as attention eventually turns towards recovery and restoration. Before then, however, I want to recognise the extraordinary response to the incident. As your County Councillor and having served on the Fire Authority for more than 13 years, it was important to me to meet firefighters at the scene and personally thank them. Despite incredibly challenging conditions, the professionalism, teamwork and morale I witnessed were first class. I also want to thank the volunteer firefighters, local farmers who provided irrigation equipment and practical assistance, alongside organisations including the Great Fen and Natural England. It has demonstrated community cooperation at its very best. Holme Fen has been badly scarred, but the determination to protect it and eventually help it recover remains every bit as strong.

As always, please continue to contact me about local issues or concerns.

Henry is an accomplished speaker and photographer, and his talks are always most enjoyable.

SAWTRY COMMUNITY CAFÉ VOLUNTEERS CELEBRATE 4 YEARS OF SERVING THE COMMUNITY

The Café was started almost four years ago in Sawtry and is currently coordinated by Sawtry WI. Volunteers from our community work in partnerships with WI volunteers to serve free hot and cold food. Amazing volunteers donate their time and commitment, and we couldn't operate without them.

The Café moved from the WI Hall to the Methodist Hall in June this year however we are moving again and from October you will find us at the Old School Hall on the first Saturday of each month 12noon to 2.45pm. We are hiring the Old School Room and Kitchen.

Our most popular foods are toasted sandwiches, home-made soups and home-made cakes. We also serve fruit, hot chocolate, tea, coffee and squash. Over the years we have also provided pancakes, bacon sandwiches, hot dogs, chilli, soup, salads, sandwiches and we are planning jacket potatoes to go with the toasties, soup and sandwiches for October.

The feedback we receive from visitors is positive. The Café is a great informal space to meet others, enjoy a chat and go home with a smile. If you prefer a quieter space come after 1.30pm.

Many visitors to the café leave a cash donation which helps towards the cost of food. We have a local business that donates monthly which helps pay for the hall hire. If you have a local business and would like to assist us by donating a small monthly amount, please contact us on **07841 647345**.

NEWS FROM LITTLE GIDDING

Rev Fiona Brampton has just completed her move to Little Gidding and is installed as the new warden, having squished that role in around her other duties until she was able to retire officially from everything else.

As I write we have just had quite a lovely day, with a noon Eucharist followed by a soup, bread and fruit lunch. This is a regular occurrence on the 2nd Friday of each month.

There is usually a Quiet Day on the 4th Friday of the month and more events on the 5th Sunday when there is one. There is a poetry group on the 13th of each month in the afternoon and crafting workshops too, at regular intervals.

The next 'Friends' event is the AGM on **Saturday 5 December**.

The house and grounds are available for private bookings (info@ferrarhouse.co.uk) and more information is available here:

CARESCO FUNDRAISING

Each time I finish writing this article I am always amazed at just how much we have all achieved with our fundraising activities, for the CARESCO team it is just business as usual and it isn't until everything is written down, what has happened and what is planned for the future, that we sit back and think.....wow!

So, what has been happening?

The external groups that are using our Centre have continued to be generous with their donations, which is always appreciated, it is good to know that our Centre is being put to good use whilst our projects are closed.

At the end of August, 10 kilos of unwanted foreign coins were sent off to Cash4Coins which resulted in an amazing £700 being raised for our Charity. This is all down to the unwanted foreign coins that are dropped off at the Charity Shop and the Centre, so a big thank you to those of you who have contributed to this. The collection tubs can be found at the Charity Shop and in the reception area of the Centre.

In the last 12 months we have raised £195 from Recycle4Charity. We have collection pots at the Charity Shop, the Centre and at Wellside Surgery where you can drop off your unwanted or used ink cartridges. Since we have been collecting, we have raised £291 and prevented 10 1/2kgs being sent to landfill so to everyone that drops their ink jets off – thank you for helping to protect our environment whilst raising funds for our charity too!

The Green End Day Club held their regular Quiz on the 4 September which was as usual a sell out and once again had us all scratching our heads while we tried to think of the answers that were on the tips of our tongues.

We once again supported the SWTR 10-mile event with Cooked Breakfasts, Breakfast Rolls and Homemade Bakes on the 6 September, this is always such a good event to be a part of and we enjoyed watching the runners set off and complete the race, another well organised Community Event!

We have all been very busy planning fundraisers for the next few months in the lead up to Christmas, most of which you will read about in this edition of the Eye. October will bring with it our Disco of the Decades – have you got your tickets yet? Pumpkin Carving also in October – why get your own home messy when you can do it at ours! The Charity Shops Fashion Show will be entertaining us for the 5th year running. In November we will be supporting the Parish Council by providing a BBQ and Bakes for the Sawtry Firework Display, we will also be having another Race Night which was very popular back in February. December will be offering a Hedgehog Book Craft Workshop where you can make lovely gifts for your nearest and dearest. We will be having a Christmas Shopping event and our ever-popular Wreath Making workshop which has already sold out!

All these fundraising events have been put together with a great amount of thought and consideration. Raising funds to keep our Charity afloat is a massive part of what we do whilst ensuring we continue to offer the services to our community so Thank You to everyone that comes along and supports them.

A big thank you also to everyone who has made donations to us from small activities that you have had, from selling plants, selling off items no longer needed to having sweepstakes, we are always grateful and never take for granted the fact that you have chosen CARESCO to benefit from your kind actions.

Thank You, as always, from all of the CARESCO Staff.

SAWTRY HISTORY SOCIETY

The Archive is open on the Saturday following our Thursday meeting in the Community Centre access is via the library, from 10:00am to 12:00pm. All are welcome, search census records and view old documents relating to our area.

In July we had Jerry Wright back for part 2 of the history of the 457th Bomb Group, the promised follow up of last year's most popular talk. Again, very well attended, if you have ever wondered what the memorial is on the side of the old A1 near Conington, this talk was a tribute to the American 457th bomb group stationed at Conington. There was also a section of information about Miss Ida, a B-17 Flying Fortress that crashed on take-off, illustrated with a selection of debris which has been recovered from the crash site.

On the 17 October we will be holding a quiz night, a first for us, set by Keith a member of our committee.

Next Talks

15 October - **Mud Blood & Bandages** - Ian Langworthy

19 November - **Whittlesey Straw Bear** - Suzanne Hill

We serve hot and cold food, drinks, cakes and fruit. CAMBRIDGESHIRE FIRE AND RESCUE SERVICE

Remember, remember to celebrate safely!

Bonfire Night is a very popular fixture in the calendar where people come together to enjoy fireworks. While it can be fun for all of the family to enjoy, there are lots of potential hazards so it's really important to keep you and your family safe. Help support your local community this year and go to an organised firework display instead of holding one at home. You can find a map showing displays around the county at www.cambsfire.gov.uk.

Firework safety tips

- Only buy fireworks with a CE mark
- Light fireworks at arm's length using a taper, stand well back and never go back to a lit firework
- Never throw fireworks or put them in your pockets or clothing
- Light sparklers one at a time wearing gloves, and place used sparklers in a bucket of water
- Never give sparklers to children under five
- Keep your pets indoors throughout the evening
- It is illegal to sell fireworks to someone under the age of 18 or to light fireworks in a public place
- Respect your neighbours – don't let off fireworks late at night and remember there are laws to follow.

For more information log on to www.cambsfire.gov.uk, follow us on social media or call **01480 444500**

**Sawtry Chorale
Christmas Concert
All Saints' Church, Sawtry
7.30pm
Friday 11 December 2026**

Sawtry Chorale is delighted to confirm that we will be holding our Christmas Concert in Sawtry this year. We will be performing some traditional Christmas song and some not so traditional!

We are celebrating 40 years of joyous singing and are very excited to share our voices and hard work that brings us all together.

As a choir we sing in Four-part harmony and have an extremely patient and talented Music Director who helps to guide us through our section parts. There are no routine formal auditions or a prescribed requirement to read music, so nothing scary! We are particularly interested to hear from any men who may feel that they would like to try us out. We meet on Wednesday evenings at the Methodist Church Hall, Sawtry, from 7.30pm to 9.30pm. You can contact us via:

- Facebook: **Sawtry Chorale**
- Email: **sawtrychorale@gmail.com**
- Website: **www.sawtrychorale.co.uk**

We look forward to seeing you!

We would also like to remind you that we will be performing our 40th year celebration of Mozart's Requiem in D Minor and a selection of our favourite songs at Sawtry Village Academy Saturday 14 November.

AN EYE ON NATURE

Looking out of my bedroom window each morning something is missing. Our Swifts, who arrived on 1st May have long gone, they all departed at the end of July. On the 31st they 'packed their bags' and started a seven thousand mile journey back to Equatorial Africa, that's 14000 miles a year just to get to my bird box and back, add on the extra mileage constantly flying and never landing until my nest box next year! I marvel at our natural world and one of the greatest events – migration. All across the world animals and birds have seasonal movements driven by survival and an urge to breed.

The Painted Lady butterflies, which did so well this summer, are a migratory species being another traveller from Africa. So too is the stunning Clouded Yellow butterfly venturing across the sea to reach us. How do they all do it? What enables a cuckoo chick, hatch out and be cared for by another bird species, to find it's way all the way down to Africa then back up to Woodwalton Fen where it was born. It's one of the incredible navigational feats which our wildlife undertakes each year.

We in Sawtry play host to some remarkable events. The Swifts I have mentioned (I'm a bit obsessed by them). The House Martins, who dance in the sky with the Swifts, have also come from Africa to breed. As insect feeders they must migrate to find enough food for the whole year so are compelled to winter in warmer climes. It is not all one-way traffic though, we will be joined by winter visitors in October. As you read this, they will be arriving. Driven by need for food and shelter from a more hostile environment our garden birds are joined by visitors so lots of our familiar birds are not what they seem. Continental cousins of our birds come and fit in. Blackbirds come across as do Starlings. In the case of Starlings, greatly swelling their numbers and providing us spectacular murmuration's. I remember ours a few years ago when Sawtry was their chosen roost site. Another popular and colourful pair of visitors appear overnight. Redwings and field fares greatly add to our meager population of Thrushes looking for a kinder climate and good through the winter. Not all migrations cover vast distances though. Our local toads used to migrate to a few chosen ponds in the village, it was a perilous journey across the roads and to the ponds where they used to breed. Imagine, if you will, what it must have been like to arrive to find the pond had disappeared. Where to go next! It is no wonder the toad population in the UK is diminishing.

In this very testing autumn/winter to come (after the hottest driest summer on record) our help is even more urgently needed to welcome the winter visitors and next spring let us hope to hear the sound of Swifts and House Martins returning. Remember they travelled thousands of miles to get here.

Isn't nature incredible.

Martin Baker

We were very pleased to receive a grant from Cambridgeshire Acre for core costs, along with a grant from Hunts District Council to enable us to replace our BBQ for charity use and community events. We then had a much anticipated 3-year grant towards Foodbank costs from Ann Docwra who are a local Quaker organisation. This is partly for CARESCO's poverty prevention work with the Local Authority and various agencies and partly for emergency food supplies.

We support hundreds of local people per month via our groups and services across 3 buildings, so it's a costly operation. Despite our best efforts, CARESCO is still struggling to cover its core costs, so we very much appreciate the donations and offers of help we receive to enable us to continue to run.

This will be my last article as Grants Manager, but I will continue to volunteer in the Green End Day Club and the garden, so hope to see some of you then. I'd like to thank the wonderful team of staff, trustees and volunteers who continue to face all the financial and operational challenges of running a self-funded charity head on. Your support to my grant work over the last 4 years has been much appreciated and I wish my successor the best of luck.

Have a great Autumn!

AUTUMN

Hello,

Autumn is a season which invites us to notice change. The leaves change colour and fall, the evenings draw in, and the familiar landscape becomes something new. It is a season which reminds me that life is not static, that we too are called to live both holding on and letting go, to grow and make a difference often in small everyday ways.

Imagine the delight on a neighbour's face who when faced with one shopping bag too many encounters a passer-by who notices, stops and helps. This act, short in time terms speaks volumes - no applause, no fanfare just a simple act of kindness, for me, a living out of Jesus's call to 'love your neighbour as yourself.' (Mark 12: 31) The Bible reminds us that our faith lived, not just talked about, is what makes a difference. We don't always need grand gestures, but small everyday acts of kindness can become little signs of God's love.

We can all be agents of positive change whatever our everyday places: checking in on someone who lives alone, offering a listening ear, picking up litter, welcoming a newcomer, or simply noticing when someone needs a little help.

This autumn, as we watch the world around us change, may we ask ourselves: What small act of kindness can I offer today? And put into action the answer for when kindness takes root, God's love can grow - and even the smallest act can help change a community for the better.

Best blessings,

James

(Methodist Minister for Sawtry)

As we move into autumn, I've been reflecting on how this time of year often feels like a season of new beginnings. The relentless hot summer - and the devastating fires in Holme Fen - have reminded us how fragile our landscape can be, and how strong our community is when people pull together. A heartfelt thank you to the firefighters and to all who volunteered in those difficult days.

September brought change for many. Some children will have moved up to new classes, some have started at new schools, and others have headed off to college or university. I hope these first few weeks have gone smoothly and that everyone is beginning to find their feet. New beginnings can feel exciting and daunting in equal measure, and the Bible often speaks into those moments. One verse that has come to mind recently is from Isaiah: "See, I am doing a new thing." It's a gentle reminder that fresh starts can also be places where hope quietly grows.

As we look ahead to November, I will be joining the Sawtry Remembrance Parade as we pay our respects together. After the Act of Remembrance outside the church at 11am, we will gather inside All Saints for a short service, all are very welcome. Later in the afternoon we will hold brief Acts of Remembrance at the war memorials in Conington (2.30pm) and Holme (2.45pm). These moments matter deeply as we honour those who gave so much and we hope that you might be able to join us.

So, whilst Autumn holds both reflection and renewal, village life continues to grow in new and creative ways. One of the newer ventures bringing people together is 'The Sawtry Screen' (think pop-up cinema and the latest films on the big screen), which is proving to be really popular. We're now showing films regularly - some for families, and some for adults - and it's been lovely to see people enjoying the space together. We have a small drink and snack bar, and all the details, including links to tickets, are shared on Facebook.

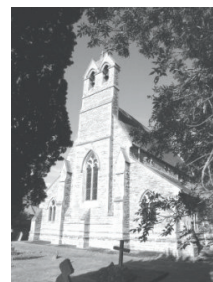

If you'd like to keep up with everything happening across the benefice - especially as we move towards Christmas when there's lots going on in our churches - do follow our Facebook page (All Saints, Sawtry) where you'll find service times, events, and updates.

With warmest wishes

Revd Claire Brockelsby

GRACE CHURCH SAWTRY: ENCOURAGED AND THANKFUL

Over recent months, we have been very encouraged to see Grace Church Sawtry beginning to grow roots in the village.

Since starting Sunday meetings at Easter, it has been a real joy to welcome new faces, see friendships beginning to grow, and enjoy a warm sense of community developing week by week. We are also especially grateful to the team at the CARESCO Centre for hosting us so warmly and for all they do in serving the wider village.

Grace Church Sawtry is a church plant from Kingfisher Church, Little Paxton, and we desire to be a welcoming church community centred on Jesus Christ and the teaching of the Bible. We are very pleased to announce that we have **Steve Bell** joining the team as Assistant Pastor. In this capacity, Steve will be focused primarily on serving Grace Church and the community in Sawtry and the surrounding villages. Please reach out to Steve should you wish to find out more about who we are.

Alongside our Sunday meetings, we also gather in smaller homegroups during the week, where we build friendships, pray together, and look at what the Bible says about everyday life.

We meet every Sunday at 10:30am at the CARESCO Centre, Green End Road, Sawtry. Whether you are looking for a church, curious about the Christian faith, or have not been to church for quite some time, you would be very welcome to join us.

SAWTRY GOLF SOCIETY NEW SEASON

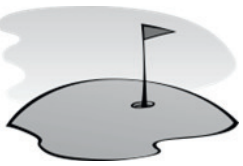

The hot weather has continued although becoming autumnal now with humid wet weather, our first game of the season saw us start at **Rutland Water Golf Club** where the elements proved a real challenge and made golf a hard game.

In 1st place was our V/C John Hedington with 30 points, 2nd place was our Captain Doug White with 29 points and in 3rd place Richard Sapsford on 28 points.

Round 2 took place at **Cold Ashby Golf Club**, for anyone that has played there then no introduction is needed for the elevation here, a real challenge when walking. Here we saw some great golf and even a Hole in One by Liam Bohonis !!, well done Liam.

In 1st place was Nathan Harding who played exceptionally well with 37 points who pushed Pete Wilkinson into 2nd place again with a fabulous 37 points on countback, completing the top trio was our early league leader Neil Farrington on 35 points off a 7 handicap.

Well done to our winners so far this season, Round 3 takes the society to **Spalding Golf Club** and then Round 4 on to **Bourne (Toft)**.

Sawtry Golf Society accommodates local golfers from scratch to 54 handicaps, we welcome all comers who enjoy a round of golf, if you are interested, please contact us on our Facebook page or ring our secretary David Gadsby (07834 386632) our membership is £30 for the season which includes insurance.

SAWTRY RUNNING CLUB

The Sawtry 10 – A Spot of Running

There are occasions in life when a chap looks back and thinks, “Good Lord, did we really agree to do that?” For the Sawtry Running Club race committee, that moment probably occurred somewhere around midnight during the final week before the **5th Sawtry 10 Mile Road Race**.

After months of preparation, planning and more than a few sleepless nights by the race committee, Sunday 6 September saw the fruits of our labour – our **5th Sawtry 10 mile road race**.

And, remarkably, nobody appeared to have lost the will to live.

After a sprinkling of rain, the weather improved to a lovely warm day. Nice for the volunteers and spectators, a little challenging for the athletes. Still, runners are a hardy bunch. Give them ten miles of countryside, a number pinned to their chest and the vague promise of a finish line, and off they go.

This year saw a **record number of entrants – 327, with 325 finishers**. A magnificent turnout and a sight guaranteed to warm the cockles of any race organiser's heart – assuming they still had any cockles left.

The real heroes, however, were the 89 amazing people who volunteered to marshal the event. As Chief Marshal, my heartfelt thanks go to each and every one of you for giving up your time to help make the event such a success. Standing beside a road for several hours pointing runners in the correct direction may not sound like the most glamorous occupation, but without you the whole enterprise would have descended into something resembling a village-wide game of hide and seek.

At the sharp end of proceedings, **Christopher Rainsford of Heanor Running Club** took the race win in a new course record of **52 minutes 47.0 seconds**.

The first female home was **Hannah Viner of Highgate Harriers**, who was equally determined to leave her mark, setting a new female course record of **59 minutes 39.3 seconds**.

Massive congratulations to Christopher, Hannah and all **325 finishers**. A tremendous achievement from every one of you.

Our grateful thanks also go to our invaluable race sponsors: **Spirotech, Sawtry Cars, MJ Quinn, The Bell Public House, Erdinger, Ray Groves, Premier Green End Store, Sawtry Marquees, Sawtry Village Academy and One Leisure Sawtry**.

And finally, thanks to **CARESCO** for keeping our volunteers fed and watered. Quite frankly, there are few things more likely to keep a marshal motivated than a decent slap up feed (alright, a bacon sarnie) to send them of their way following the race briefing.

Another Sawtry 10 safely in the books. We'll recover, have a cup of tea, and then, presumably, start planning the next one.

SAWTRY AND DISTRICT BOWLING CLUB

Well, what a busy and successful couple of months we have had at Sawtry Bowls Club!

Firstly, in July we were delighted to host the Huntingdonshire Bowling Federation (HBF) and Huntingdonshire Women's Bowling Federation (HWBF) County Finals, where bowlers were competing for the chance to represent Huntingdonshire at the National Finals in Skegness in August.

Congratulations to Matt Nickerson, Brad Herbert and Toby Furzeland, who won the Men's 3-Bowl Rinks, and to Emma Musgrove, who won the Ladies' 4-Bowl Singles.

At Skegness, the lads battled hard but unfortunately lost in the second round to the eventual overall winners. Emma, however, went on to achieve something truly amazing by becoming the Ladies' National 4-Bowl Champion! This is a fantastic achievement, and everyone at Sawtry Bowls Club is incredibly proud of her.

We also had further success at Skegness, with Sam Bate and Matthew Moore being selected to represent Huntingdonshire as part of the Under-25s team. The team went on to win the Reg Wright Trophy. Well done, boys – another fantastic achievement and one we are all very proud of!

The success has continued into September, with Matt Nickerson and Toby Furzeland finishing runners-up at the Great British Bowls Grand Finals on 6 September. This was another fantastic performance and a great achievement for the club.

As a club, we have also enjoyed a very successful season in our county competitions. We reached the semi-finals of both the Stocker Cup and the Sykes Vase, while in the Tatman Cup we reached the final, narrowly missing out on taking the trophy.

We were delighted to win the Durham Trophy, meaning that we will go on to represent Huntingdonshire in the competition next season. Another great achievement for the club!

Our Over-60s A Team also enjoyed a fantastic season, winning the Millicent Childs League for the first time in 16 years. A huge congratulations to everyone involved.

Sawtry was proud to host the HBF and HWBF Closing Day Match, with the men and women enjoying an afternoon of friendly competition, fun, and banter across the green. The event was rounded off with a wonderful, cooked meal at the club, providing the perfect opportunity to celebrate the HBF's 70th Anniversary.

It has certainly been a season full of great bowling, plenty of hard work and, most importantly, lots of fun and team spirit. We would like to congratulate everyone who has represented Sawtry Bowls Club this season and thank all our members and supporters for their continued support.

We are pleased to announce that the club's Christmas Draw will be held on 13 December. If you can spare a few pounds to purchase some squares on the board in the club, it would be greatly appreciated. Every contribution helps and supports the club, while also giving you the chance to win some fantastic prizes.

Dates for your diary:

- **17 October** - Quiz Night
- **14 November** - Presentation Evening and Disco
- **5 December** - Xmas Bingo
- **13 December** - Xmas Prize Draw

During the season we also take part in the club competitions culminating in a finals weekend which took place between 12 and 14 September.
